### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In Claim 77, Line-1, **AFTER** 'further' **DELETE** 'comprising:' and **REPLACE** with – comprising-

The claim was amended to overcome 112-II issues.

### **REASONS FOR ALLOWANCE**

The following is an examiner's statement of reasons for allowance:

- Claims 21-23, 26-28, 30-35, 76-78, 81-82 and 84-89 are allowed.

Applicants arguments filed 11/06/2009 have been fully considered and they overcome the rejection of claims over Clarke (US 2003/0026754) and Shibuta (US 5,853,877) in view of Clarke (US 2003/0026754). Further, there is no motivation in the prior arts to modify the characteristics of the fibril dispersions in their processes. A detailed search was carried out that did not result in any new prior art that either teaches or fairly suggest applicants method of making the electroconductive ink comprising the combination of specific components, process steps, components processed therein and the characteristics of the conductive ink.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to KALLAMBELLA VIJAYAKUMAR whose telephone number is (571)272-1324. The examiner can normally be reached on M-F 07-3.30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Stanley Silverman can be reached on 5712721358. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
